

Juniors!

College application season is right around the corner, and where to begin? Know you'll be writing essays? Stuck for ways to tackle the dreaded personal statement? Searching for how to tell your story in a fresh, compelling way? Wondering if there is a magic formula so a college will say YES?

Join our **Summer 2020 Essay Boot Camps** to get a jump-start on your college application essays. We'll teach you some tools for success. We'll keep you engaged. You'll learn some things about yourself along the way. And, yes, there will be snacks.

Register for one or both workshops on a date that works for you. Grab your future by the horns and sign up now to write with us!

Essay Boot Camp A: The Main Essay & How to Tackle It

In this workshop, we'll look at the Common Application prompts and how to unpack them. You'll learn effective brainstorm techniques, ways to draft stories of your experiences so they're genuine and engaging, and look at sample essays that worked. We'll also discuss the role of supplemental essays and examine a few prompts.
